

PROFILE

A Second year
Information Technology
Student at CEG with
strong interest in Data
structures and Database
Management. Passionate
about exploring new
technologies.

EDUCATION

B.TECH IT

YEAR-2

GPA:

sem 1 :9.27

sem 2 :8.39

sem 3 :9.19

CGPA:

8.95

SIVAPRIYA

College Student

➤ TECHNICAL SKILLS

DSA in C programming,
JAVA(Basics),
Database Fundamentals,
Frontend(HTML,CSS,JAVASCRIPT)

➤ PROJECT

Digital Prescription Management System:

Developed a system to store and
retrieve patient prescriptions.
Used database concepts for secure
storage.

Designed to improve accessibility
and efficiency.

Motion Detector:

Built a low-cost motion detector system
without Arduino.

Implemented using digital logic gates.
Reduced hardware cost compared to
microcontroller-based systems.

➤ CURRENTLY PURSUING

Cloud engineering,
Python for datascience(NPTEL)
